

# airtime CHECK-UP

Stop second guessing yourself, get survey confident!

## Have you got a big campaign scheduled?

It could be for recruitment on your website, your socials or research for a paying client; but how do you make sure your survey is perfect so you don't waste invested time and money? Introducing AIRTIME CHECK-UP, a quick and easy way to kick your survey anxiety to the curb.

## How does it work?

Build your survey as usual. Check our [FAQ](#) for any basic questions

[Contact Xtra Insights Support](#) with any questions or concerns

Receive feedback from a survey ninja within 24 hrs\*

\*Xtra Insights Support operates Monday-Friday 9am-5pm AEST

## What can we help with?

- ✓ We check your survey design for spelling mistakes, appropriate question types, question flow and length;
- ✓ We preview your survey invitations for broken images, correct links and accurate information;
- ✓ Have you got a creative idea in terms of recruitment, survey or email execution? We can help make it a reality!
